# In Memory of **BILL DILLARD**

Longtime Indian River Dog Training Club member, Bill Dillard, passed away April 13, 2011. After retiring as a Colonel from a long military career, Bill went to the dogs! He was an active member of the DOCOF team until his recent illness. Whether he had a dog to compete in DOCOF or not he was always very supportive as a team member and DOCOF volunteer.

Bill helped in the formation of IRDTC back in 1975. In the late 1970s he was elected Training Director and President of the Club. He was the Chief Training Director for 24 years, and taught classes for a total of 28 years. He was well respected by everyone that knew him. He always gave words of encouragement to those who struggled with training, giving them the confidence they needed to go forward.

Bill was a lover of ALL dogs but the Shetland sheepdog claimed his heart. He owned a total of five Shelties over the years. His last Sheltie, Reggie, earned his championship and UD and is listed 117<sup>th</sup> in the country which is a record still believed to be held. Bill was also an AKC Obedience Trial Judge for many years.

He was a remarkable man, so full of life, with so many accomplishments. His bright smile and kindness touched many people in all walks of life. He once said that he would like to be remembered as a reasonable person, who enjoyed life to the fullest and liked to get a laugh. His advice for living was to live by the Golden Rule, Do unto others as they would do unto you. We are going to miss that man in the bright yellow jacket . . . his smile, his kindness, and camaraderie.

## PRESIDENT'S MESSAGE

Congratulations to the Lakeland Dog Sports Intimidators on its well-deserved win at DOCOF. The effort the team put forth was well-demonstrated.

Thank you to all the people who make DOCOF a state-wide team effort.

Stay well and train hard for 2011. See you in September.

Nancy Grotheer  
President

## 2010 ANNUAL MEETING MINUTES

### Dog Obedience Clubs of Florida

September 4, 2009

Central Florida Fairgrounds

Orlando, FL

The annual meeting of the Dog Obedience Clubs of Florida was called to order at 3 p.m. on September 4, 2010 by President, Nancy Grotheer. Directors Deb Neufeld, Vice President; PJ Lacette, Vice President; Cheryl Knapp, Treasurer; and Ken Kincaid, Secretary, were present.

**Secretary's Report:** Motion was made to approve Minutes of the 2009 meeting as written and published. The motion was seconded and approved.

**Treasurer's Report:** Motion was made to accept the treasurer's report as written and published. Motion was seconded; vote accepted as published.

### Committee Reports:

#### Membership:

*Pawsitively Fun Dog Training Club.* Lori Patterson introduced her club and its events and training efforts. Approved by unanimous vote

*Barkers of Broward* as a proposed new club. Harriet Roth introduced her club and indicated that her group was new and formed because members wanted to go in a different training direction

#### Judges:

Carol Ann Klein announced the judges for next year: Anthony Cherubini, Robert Amen, Jon Mett, John Landis, Carol Mett, Sharon Crossmand, and Fred Buroff.

#### Unfinished business:

Carol Ann Klein brought forward that the changes in the bylaws be reflected as current.

**New Business:**

Deb Neufeld brought up the banquet and how to increase the participation. She proposed that we have an early party rather than a dinner. There was a suggestion that there be entertainment such as free style. The party would be bring-your-own-appetizers-and-drinks and everyone could have a good time and fellowship. Rose Doan proposed that we bring our own food for the party, and that the building would stay open later so people could stay and have a good time. It was proposed that the party would begin right after the annual meeting.

A motion was made by Beverly (no last name available) that we have a social hour at 5 p.m. and any others could stay; the motion was seconded by Rose Doan. Discussion followed, and the motion was carried by unanimous vote. Joyce Swegle and Lori Patterson volunteered to be on the party committee.

Nancy requested that run-through participants please cooperate with all members in run-throughs. A complaint was received that an exhibitor had her name erased three times and she didn't get her run. Deb indicated she was working on a new system for run-throughs

Discussion of the substitution rule: Deb indicated that the issue was the newness of the rule. Joyce asked if a hospitalized team member could have her husband who was on another team handle her dog in her team's competition. Deb Neufeld indicated that this was within the rules. There was a request to clarify the emergency substitution rule. *Both dogs slated as competitors must be unable to compete in order to install the designated replacement.*

Deb Neufeld proposed that the charge be \$1 per dog for groups during the run-through period and members present approved the suggestion.

**Elections:**

Nancy was nominated as President (Nancy indicated that she was not sure that her personal situation would allow her to serve a full term but that she would be willing to serve until circumstances made it impossible.)

Deb Neufeld was nominated as First Vice President

PJ Lacette was nominated as Second Vice President

Ken Kincaid nominated for Secretary

Cheryl Knapp was nominated as Treasurer

Secretary cast the required vote as there was no opposition.

A motion was made to adjourn. Motion was seconded and carried by unanimous vote.

## UPDATES & REMINDERS

### BANQUET – TOURNAMENT PARTY . . .

We're focusing on the *PARTY* aspect this year in the hopes that more people can and will join us at 5 p.m. on Saturday for a relaxed get-together with fellow DOCOF enthusiasts. Everyone is invited to bring their own appetizers and beverages (and main meal if you so choose) and take advantage of the **FREE TABLES & CHAIRS** – DOCOF will cover the cost of tables & chairs this year. Prizes will still be offered for the Best Decorated Table at the party and we're expanding the participation opportunities by adding prizes for the best-themed food and the best-themed art posted at the party, so get your creative juices flowing. A copy of the best art work will be incorporated into next year's Doings.

We hope to see you all at the Party. Bring Your Own . . . and *come and have a good time.*

### DUES

DOCOF Members paying dues by the end of DOCOF weekend get a \$5 discount on dues. Dues paid by Sunday, September 4, will be \$50, and anyone paying after that will owe \$55.

### JUDGES HOSPITALITY: ADOPT-A-JUDGE FOR LUNCH

The Adopt-A-Judge program will continue again this year. Clubs which participate have a blast, and the judges are always impressed. Details like this set DOCOF apart from other tournaments, and explain why everyone who judges for us gives glowing reports of our hospitality, dedication and sportsmanship. If you've never hosted one of our judges for lunch on the day of the tournament, this is your year!

The Adopt-A-Judge For Lunch program, along with volunteers helping with chauffeuring the judges between the airport, hotel, and fairground, really helps cut our expenses and keep the DOCOF budget from getting out of control. Please **contact our Judge's Hospitality Chair, Aimee Kincaid**, at **407-760-4119** or **[aimee333@att.net](mailto:aimee333@att.net)** **ASAP** if your club would like to participate in this program. The more volunteers we have the easier the workload is for everyone.  
Thank you!!!

### PHOTOS

Pix'n Pages will be taking tournament action shots, individual portraits and team portraits for us again this year. Sign up early for the best times for your team photo at Pix 'n Pages' booth. Please see page 28 or stop by its booth for more details on the packages offered.

## UPDATES & REMINDERS

### RAFFLE

We will again host our very popular raffle to benefit DOCOF. Each club and vendor must bring a donation item, gift certificate or gift basket with a value of at least \$25 for the raffle. Each item should include a donor card so winners can send thank-you notes, just as we do for regular obedience trials. Contact the Raffle Chair for more information or if your organization would like to make a donation by check.

### RING PRACTICE OPPORTUNITIES

Run-thru practice donations have been a great fund-raiser for DOCOF. Please come on Saturday and support your tournament generously. If you come and help us set up on Friday night you'll be able to get in an extra run-thru **after all the tournament and seminar rings and party tables have been set up! Practice donations: \$3 for 5 minutes / \$5 for 10 minutes / \$1 per dog per set of groups.**

FRIDAY EVENING - run thrus for donation available after set up is completed ONLY for those folks helping with set up!

SATURDAY - run thrus for donation will be available to all.

SUNDAY - NO PRACTICE in the rings at any time.

### SEMINAR

Last year's start time appeared to give people plenty of time for ring practice throughout the day. We will again start the seminar at 8 a.m. See page 35 for more details.

### SET UP & TEAR DOWN

Set up will start at 4 p.m. Friday, September 2. DOCOF team areas may only be set up AFTER all of the rings and equipment in both buildings are completely set up. **That includes cleaning the ring mats.** Do not attempt to put up your team tables and decorations before the announcement to do so is made (after the work for the event is finished). If you bring a dog you may set up only the crate for your dog while you help with the set up work.

Team captains should please be aware that those listed as tear down helpers on entry forms **MUST STAY** for the complete tear down of the rings at the end of the competition on Sunday. One or two rings are left up longer so that awards may be presented. This area must be broken down and mats rolled before the tear down crew leaves. The DOCOF board will decide what action is to be taken if your team members do not fulfill this responsibility: It could affect your future team entries.

We appreciate your cooperation so that all the events will run smoothly.

## UPDATES & REMINDERS

**SHHHHH!**

In an ongoing effort to prevent excited teammates from ruining the performance of the dogs working in surrounding rings, team captains are again asked to coach handlers on their teams to remember that silence is golden. Gentle applause is okay, but screaming and shouting should be curbed. If you wouldn't want it to happen to you during your turn in the ring, don't do it to someone else! Thanks for your good sportsmanship. Save your voices for cheering and palms for loud clapping at the end-of-day awards presentation.

### STEWARDS

Remember, one full day steward or two half-day stewards are required per each team entered.

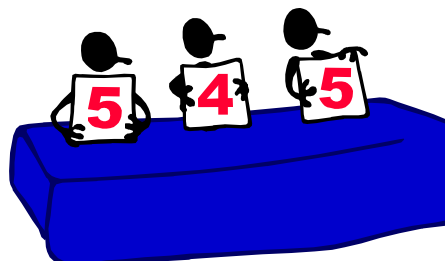

- ▶ Morning stewards need to report in by 7:30 a.m. on Sunday.
  - ▶ Afternoon stewards please report in BEFORE GROUPS to ensure full coverage for stays.
- ♥ Thank you, stewards. Not only are you enabling your team to compete, you're playing a huge part in making this tournament possible.

### TOURNAMENT CRATE SPACE

Crate space will be marked out ahead of time. This allows all clubs to have reasonable space, even if they can't arrive to choose space on Friday night. Spaces will be as close as possible to the same as in previous events and each area will be defined. If your team does not need all of its allotted space please feel free to share with others around you. If you need more space than allotted please stack crates (including under your lunch tables) and stack coolers on crates, etc. Please make sure things are stable when stacking them! Teams who are new or clubs/schools sending more or fewer teams than in previous years will be assigned a team space once entries are closed based on available spaces. Contact the Floor Mapping Chair if you have questions about your team space.

### TOURNAMENT SCORING

Statisticians will start issuing printed team reports and standings about 10 a.m. at a table or bulletin board outside the statistics room. Team captains should check the scores throughout the day and **alert the stats team** immediately of any potential discrepancies.

**Good luck to all at the annual state tournament - everyone who lives with an obedience-trained dog is truly a winner!**

### **Article VII COMMITTEES:**

#### **SECTION I**

The Organization or its President may appoint standing committees each year to advance the work of DOCOF in such matters as Trials and Matches, Membership, and other fields which may be well served by these committees. Such committees shall always be subject to the final authority of the Organization. Special committees may also be appointed to aid the Organization on any particular project.

#### **SECTION II**

Any committee appointment may be terminated by a majority vote of the membership of the Organization with written notice to the appointee; and the Organization may appoint successors to those persons whose services have been terminated. The President may terminate any Committee.

### **Article VIII DISCIPLINE:**

#### **SECTION I**

**AMERICAN KENNEL CLUB SUSPENSION:** Any member club who is suspended from the privileges of the American Kennel Club automatically shall be suspended from the privileges of DOCOF for a like period. Any individual suspended by the American Kennel Club may not participate in any activities of this Organization during the period of his/her suspension.

#### **SECTION II**

**CHARGES:** Any member club may prefer charges against another member club for alleged misconduct prejudicial to the best interests of the Organization. Written charges with specifications must be filed in duplicate with the DOCOF Secretary, together with a deposit of ten dollars (\$10.00), which shall be forfeited if such charges are not sustained by the Organization following a hearing. The Secretary shall promptly send a copy of the charges to each member organization or present them at a DOCOF meeting, and the Organization shall first consider whether the action alleged in the charges, if proven, might constitute conduct prejudicial to the best interests of DOCOF. If the Organization considers that the charges do not allege conduct which would be prejudicial to DOCOF, it may refuse to entertain jurisdiction. If DOCOF entertains jurisdiction of the charges, it shall fix a date of hearing by the Organization, not less than three weeks nor more than six weeks thereafter. The Secretary shall promptly send one copy of the charges by Certified Mail to the accused member club together with a notice of the hearing and an assurance that delegates or representatives of the defendant Club may personally appear in their own defense and may bring witnesses if they wish.

#### **SECTION III**

**CLUB HEARING:** DOCOF shall have complete authority to decide whether counsel may attend the hearing, but both the complainant and the defendant shall be treated uniformly in that regard. Should the charges be sustained, after hearing all the evidence and testimony presented by the complainant and defendant, the Organization may, by majority vote of those present, suspend the defendant club from all privileges of the Organization for not more than six months from the date of the hearing. And, if it deems that the punishment is insufficient, it may also recommend that the penalty be expulsion from the Organization. In such case, the suspension shall not restrict the defendant club's right to appear before its fellow members at the ensuing Organization meeting.

## **BY-LAWS Revised 12/09**

Immediately after DCOF has reached a decision, its finding shall be put in written form and filed with the Secretary. The Secretary, in turn, shall notify each of the parties of the Organization's decision and penalty, if any.

### **SECTION IV**

**EXPULSION:** Expulsion of a member Club from the Organization may be accomplished only at a DCOF meeting. Such proceedings may occur at a regular or special meeting of the Organization to be held within sixty (60) days, but not earlier than thirty (30) days after the date of the Organization's recommendation of expulsion. The defendant Club shall have the privilege of appearing on its own behalf. The DCOF President shall read the charges and the Organization's findings and recommendations and invite the defendant Club, if present, to speak on its own behalf if its members wish. The DCOF members in attendance shall then vote by secret ballot on the proposed expulsion. A two-third (2/3) majority vote of those present and voting at the meeting shall be necessary for expulsion. If expulsion is not voted, the member Club's suspension shall stand.

### **Article IX AMENDMENTS:**

#### **SECTION I**

Amendments to the By-Laws may be proposed by the Organization or by written petition addressed to the Secretary and signed by twenty percent (20%) of the membership in good standing. Amendments proposed by such petition shall be promptly considered by DCOF and must be submitted to the members by the Secretary with recommendations of the Organization for a vote at the next regularly scheduled meeting.

#### **SECTION II**

The By-Laws may be amended by a two-third (2/3) majority vote of the Organization's members present and voting at any regular or special meeting called for that purpose, provided the proposed amendments have been included in the notice of the meeting and mailed to each member Club at least fifteen (15) days prior to the date of the meeting.

### **Article X DISSOLUTION:**

#### **SECTION I**

The Organization may be dissolved at any time by the written consent of not less than two-thirds (2/3) of the member Clubs. In the event of the dissolution of the Organization, whether voluntary or involuntary or by operation of law, none of the property of the Organization nor any of the proceeds thereof, nor any assets of the Organization shall be distributed to any members of the Organization, but after payment of the debts of the Organization, its property and assets shall be given to a charitable organization for the benefit of dogs, this organization to be selected by DCOF.

# ANNUAL COMPETITION/TOURNAMENT RULES & REGULATIONS

**Revised 12/09**

## **PURPOSE**

The purpose of the Dog Obedience Clubs of Florida (DOCOF) Annual Competition is to provide the opportunity for handlers and dogs to represent their Organizations in competition as a team. These Rules and Regulations constitute the basis of the Competition. However, the success of the event relies on the integrity and good sportsmanship of the competing member organizations.

## **GENERAL**

The DOCOF Competition will be held Labor Day Weekend in conjunction with the DOCOF Annual Meeting. The following awards will be presented: 1st through 4th places in each class, Highest Scoring Dog, Highest Scoring Team and High Tri-Combined Team. The High Tri-Combined Team shall consist of the combined scores of each team's highest scoring Novice dog and handler, Open dog and handler, and Utility dog and handler. These three scores are combined and compared to other team scores. The team with the highest total score is the High Tri-Combined Team.

## **RULES AND REGULATIONS**

### **Article 1 - OBEDIENCE REGULATIONS:**

The current American Kennel Club Obedience Regulations govern any rules not stated herein.

### **Article 2 - ELIGIBILITY REQUIREMENTS:**

1. Any recognized Member Organization of DOCOF in good standing may enter.
2. No individual exhibitor entries will be accepted.

### **Article 3 – ENTRY REQUIREMENTS:**

1. Each eligible DOCOF Member Organization may enter a maximum of three (3) teams.
  - a. A full team consists of a minimum of 6 dogs and a maximum of 9 dogs, and shall consist of at least 2, but not more than 3 Novice dogs; at least 2, but not more than 3 Open dogs; and at least 2, but not more than 3 Utility dogs.
  - b. Partial teams of fewer than 2 dogs per class or less than 3 classes or both may also be entered.
2. A second or third team may be entered only if the following requirements are met:
  - a. If sending a second team, the Member Organization's first team must consist of a full complement of 3 dogs at each level/class.
  - b. If sending a third team, both of the Member Organization's first and second teams must consist of a full complement.
  - c. The second or third team may then be a partial team as defined in 1. b. above.
3. The method utilized in selecting individual exhibitors and dogs to represent a Member Organization is not a part of these Rules and Regulations; however, the requirements of Article 4 below must be adhered to.

## **RULES & REGULATIONS Revised 12/09**

4. Each club, organization or individual will have the option of designating one dog and handler for each level (one Novice, one Open and/or one Utility, regardless of the number of teams being sent) as an emergency substitute, to be used only in the event that two dogs showing at the same level on the same team are unable to compete. The substitute will take the place of one of the absentee entries, and the information in the exhibitor list will not be changed. An entry fee will not be charged for listing the emergency substitutes, whether or not any are used to substitute for a team member at the Tournament. If a substitute will be used, it is the Team Captain's responsibility to notify the Tournament Secretary as soon as possible. If the substitution occurs on the day of the Tournament, the Team Captain will also report the change to both the scheduled ring and the group ring for that entry. If the club, organization or individual chooses to take advantage of this option, emergency substitutes must be listed on a separate sheet of paper and sent in with the official entry form. All of the information required for regular entries must be provided for the substitutes, including jump height. All rules related to eligibility (both dog and handler) also apply to substitutes.

### **Article 4 – EXHIBITORS:**

1. Exhibitors must be in good standing with whatever Registry they represent, and shall have been members of the Member Organization they represent for a minimum period of six months.
2. An exhibitor may only represent one Member Organization.
3. An exhibitor may not show more than 1 dog per level/class, nor more than 2 different dogs. An exhibitor may show 2 different dogs at the same level/class, only if the dogs are on different teams for the same Member Organization. Exceptions may be made when substituting for another team member in cases of extreme hardship or serious illness. The DOCOF Board must approve all exceptions.
4. A dog must be shown by the same exhibitor through all the exercises in each class entered.
5. A dog must be handled by its owners or immediate family. Exceptions for cases of hardship may be granted upon decision of the DOCOF Board.
6. All Member Organizations north of, or in line with Interstate 10 across North Florida will be allowed to have members on their teams from the states of Georgia or Alabama, providing that, by each March 1st they will declare in writing those individuals as training with their facility and asking for eligibility for them for the upcoming Competition. All other Member Organizations in the state of Florida will be required to have only Florida residents on their teams. There shall be no teams made up of exhibitors selected at large from the state of Florida strictly to enter a competitive team at DOCOF.
7. If DOCOF has received any information calling into question whether an Exhibitor is a legal resident of the State of Florida, DOCOF may, at its discretion, require the Exhibitor to produce for inspection and copying, two or more of the following documents:
  - a. The Exhibitor's valid current Florida voter registration card;
  - b. The Exhibitor's valid current Florida driver's license or, if the Exhibitor doesn't have any driver's license, a valid current Florida-issued identification card;

  - d. The Exhibitor's valid current U.S. passport; and/or
  - e. The Exhibitor's most recent six months utility bills for the Florida address where the Exhibitor claims to reside.

At the Exhibitor's request, DOCOF will redact (e.g., cross out or otherwise make unreadable) from any copies of documents that DOCOF retains, any of the Exhibitor's personal information which is not relevant to establishing legal residency.

### **Article 6 – ENTRIES:**

5. In the event of a "Tie Score" for Highest Scoring Team, a run-off shall be conducted as follows: The teams which are tied shall select one Novice, one Open, and one Utility dog to represent their teams in the run-off.

## **RULES & REGULATIONS Revised 12/09**
